Speare Welcomes Baby New Year 2012

PLYMOUTH, N.H. --- With just 11 minutes to spare, Caleb Aaron Bixby made his debut as expected on January 2. The first baby to be born in the new year at Speare Memorial Hospital, Caleb was delivered by Dr. Lori Stack, Plymouth OB/GYN, and welcomed by mom Brianna, and dad Craig at 11:49 p.m. on Monday. He entered the world weighing in at exactly eight pounds and precisely 20 inches long.

Not only is Caleb the first baby of the new year, but the first baby for the Bixbys. Brianna and Craig were both born at Speare, grew up and live in Rumney. Best friends since the age of two, they have been married 13 years and felt the time was right to expand their family. Brianna is a customer service manager at J. Jill in Tilton, and Craig owns C & B Woodworking in Rumney.

Speare Memorial Hospital is a 24-hour, acute care, non-profit community hospital and health care provider serving Plymouth and the communities of central New Hampshire for more than a century. Visit online at www.spearehospital.com and join us on Facebook.
